About Lombok:

Lombok is a tropical island paradise situated 25 minutes **flight** from Denpasar - Bali. The island offers idyllic palm fringed beaches, warm tranquil waters, superb snorkelling and diving opportunities, mountain trekking & rice paddy walks plus a wide variety of cultures and traditions that blend the Hindu (Balinese) and Lombok (Sasak) people together to make a warm and welcoming holiday experience for any discerning traveller!! No hustle and bustle, no traffic, no pressure, no worries!!!

Why not "stay just a little bit longer" and combine your entry to the Dance Festival with a Holiday – Holiday & Dance!!!

We look forward to meeting you in Lombok in September 2013.

Your friend in dance
